SURGERY

RECORD SHARING

As a patient you should be asked to give your record sharing consent at each organisation at which you receive care. Your consent can be changed at any time.

Please be aware that it is our policy to share the record of all children under the age of 5 years with other healthcare professionals dealing with your child's/children's care.

Sharing Out

Does the patient consent to the sharing of data recorded here with any other health organisation that may care for the patient?

Yes – Share data with other health organisations

No – do not share any data recorded here

Sharing In

Does the patient consent to the viewing of data by this organisation that is recorded at other care services that may care for the patient where the patient has agreed to make the data shareable?

Consent given

Consent refused
